**A little boy/girl stands guard in front of a fort when a little girl/boy approaches :**

Whoa! Where do you think you're going? This is an « all-boy »/ « all girl » fort. Can't you read the sign? « No girls/boys Allowed ». Wait. What are those? « Sour-candies?? Un... well.. ok. Enter. But leave the candies with me. Y'know... for safe keeping.

## **Scene 2 - PONETTE**

*Ponette, a little 4 years old girl (can be played by a boy) lost her mom in a car accident. One night she woke up to pray. She's crying during the whole scene :*

«God Almigh..(cries) God Almighty...You know my mommy is dead, because she's with you... But I want to talk to my mommy. I tried and I couldn't. She never answered me... Tell her to talk to me... I have lots of kisses for her. »
